3.0 Contractor Requirements for Providing Official Travel Services

- 3.1. Taxes - When reservations are made for official business, the Contractor shall ensure that rate does not include taxes for which diplomatic personnel are exempted.

3.2 Transportation

3.2.1 The Contractor shall comply with mandatory U.S. Federal Government programs for air travel. Except for the constraints of the “City Pairs” contract program noted below, and the Fly America Act, the Contractor shall book the lowest available fare that satisfies the agency’s mission requirements. If reservations made by the Contractor are not at the lowest available rate allowed by policy, the Contractor shall refund the agency the difference.

3.2.2. City Pairs Program

3.2.2.1. GSA has awarded contracts to certain airlines for reduced air fares between numerous city/airport pairs. The contract air service (e.g., 'YCA', '_CA') is mandatory for official Government travel (which includes all travel funded by the Government), unless the Government approves the use of non-contract fares under the exceptions specified in the FTR. In cases of separate contract awards between specific airports in cities, the traveler may use the airport that best meets their needs without further justification. These contract fares may be obtained only with a GTR, a Government Travel Charge Card or a CBA.

3.2.2.2. Promotional or other types of discount fares can be used on contract city/airport pair routes if they are offered by the contract carrier and are lower in cost than contract fares. Contract fares shall not be used for any personal travel, including those instances where portions of personal travel are substituted for a leg of an officially authorized trip.

3.2.2.3. There are a limited number of non-contract fares (YDG or similar), restricted to official Government travelers, which are obtainable only with a GTR, Government Travel Charge Card, or CBA. Such fares can only be used when contract fares are not available or when offered by the contract carrier in that city/airport pair route at a lower cost than the contract fare.

3.2.2.4. When non-contract carriers offer restricted or unrestricted coach fares to the general public which are lower than the Government contract fares, the Contractor may only use such lower fares on the application of exceptions contained in the current GSA Airline City-Pair Program. GSA contracts annually for air passenger transportation services between designated city/airport pairs. Since the contract is awarded annually the contractor must check the most current contract found on the Internet at <http://www.gsa.gov>, then click on “Travel on Government Business”.

3.2.2.5. It should be noted, however, that any restricted fare which provides for a monetary penalty for itinerary changes or flight cancellations shall not be used without the written consent of the using agency.

3.2.2.6. Full coach fares may be used if no reduced fares are available.

3.2.3 The Fly America Act generally precludes use of non-US flag carriers, except as provided in the FTR and the Foreign Affairs Manual, Volume 6.

3.2.4. The Contractor shall provide the U.S. Government with the reservation and ticketing services which industry practice normally accords corporate or private travelers, to include new and improved reservation and ticketing technologies. These shall include a 24-hour, toll-free number available to travelers to perform emergency itinerary changes and emergency services outside regular business hours. The Contractor shall be responsible for ensuring that any subcontractor providing such emergency service complies with all conditions of the contract.

3.2.5. The Contractor may only issue premium class tickets for which the U.S. Government will have to pay an additional amount when the accompanying travel orders provide authority for that travel. This does not apply to situations in which frequent flyer benefits will be used to obtain the premium class tickets.

3.2.6. Back-to-back faring, or hidden city ticketing are prohibited under this contract.

3.2.7. The Contractor shall provide the traveler with last seat availability, advance seat assignment, and advance boarding passes on all airlines for which the Contractor can offer these services.

3.2.8. The Contractor shall make adjustments for any change(s) in flight, train, bus or steamship schedules. Tickets and billings shall be modified or reissued to reflect these changes.

3.2.9. The Contractor shall make a timely effort to notify travelers of airport closings, canceled or delayed flights, trains, buses or voyages.

3.2.10. Corporate Rate.

3.3. Lodging

3.3.1. The Contractor shall provide lodging reservation services. These services shall include initiating and confirming reservations and confirming the rate at which the reservation is made.

3.3.2. Where the U.S. Government has agreements with hotels/motels for discount U.S. Government rates, the Contractor shall endeavor to obtain such rates for U.S. Government travelers. (Frequently these rates are capacity-controlled.) If necessary, to obtain Government rates, the Contractor shall call such hotels directly, rather than by toll-free numbers. The Contractor shall also make available to the Government any lower-priced, guaranteed corporate or other discount rates it has negotiated at these or other hotels.

3.3.3. Final selection of accommodations rests with the traveler. If reservations made by the Contractor are not made at the lowest available U.S. Government rate, the Contractor shall refund the Government the difference. Since final selection of accommodations rests with the

traveler, the reservations made by the Contractor shall be made at the lowest available rate that complies with the traveler's request, or the Contractor shall refund the Government the difference. Lodging reservations for Federal Government employees on official business shall comply with the Hotel and Motel Fire Safety Act of 1990 (see Definitions). Selected lodging shall comply with the Hotel and Motel Fire Safety Act of 1990, if available, unless an exception is granted by the COR. As stated in the definition in paragraph 2.0, the Hotel and Motel Fire Safety Act of 1990 only applies to the United States and its territories.

3.4. Rental Vehicles

3.4.1 The Contractor shall reserve commercial vehicles for Federal travelers, if requested. The Military Traffic Management Command, Department of Defense, has negotiated Government discount rates on an unlimited mileage, flat daily or weekly basis with major rental automobile companies. Participating locations of these companies have agreed to make these rates available to civilian as well as military employees. These companies and their established discount rates are the first source for Federal travelers, as required by the FTR. Considering daily or extended rates, the Contractor shall reserve vehicles from these sources or, if no vehicles are available at Government rates, from other firms at the lowest total cost available to the traveler, which includes full loss/collision damage waiver (LDW/CDW), to the traveler.

3.4.2. Under the FTR, it is incumbent upon the traveler to be prudent in selecting the method of ground transportation that best meets the traveler's needs. Therefore, since the final selection of car rental companies and car sizes rests with the traveler, the reservations made by the Contractor must be made at the lowest available rate which conforms to the traveler's request, or the Contractor must refund the agency the difference. If reservations made by the Contractor are not the lowest available Government rate, the Contractor shall refund the agency the difference.

3.5. Related Services

3.5.1. Health Requirements. The Contractor shall provide travelers with advice on necessary health requirements, including types of inoculations and vaccinations whether required or suggested for foreign travel.

3.5.2. Local Conditions. The Contractor shall provide information and advice on conditions at the various foreign destinations, including climatic conditions, type of clothing which are appropriate or essential, national and religious holidays, location of American embassies and consulates, etc.

3.5.3. Foreign Currency Information. The Contractor shall provide technical advice on such matters as foreign currency exchange rate and transactions, securing auto insurance in conjunction with foreign automobile rentals, excess baggage requirements and fees.

3.5.4. Information Pamphlets

3.5.4.1. The Contractor shall develop, print and deliver to the U.S. Government, pamphlets listing procedures for traveler use of the services under this contract. These should be approximately pocket or letter size, about two pages long, and should provide Contractor phone numbers and other relevant information. The Contractor shall prepare as many pamphlets as required by the Government, subject to approval by the COR, who shall review the pamphlet before it is printed and delivered in quantity to the Government. The Contractor shall maintain at its expense a sufficient supply of these pamphlets throughout the duration of the contract and furnish additional quantities after the initial quantity, when requested by the COR.

3.5.4.2. Additionally, the Contractor shall include one pamphlet with each ticket and itinerary package ordered during the first quarter of the contract period (first three months), and the first quarter of any option years extended under the term of any resulting contract(s).

3.5.4.3. Special Fares/Packages - The Contractor shall advertise special fares/packages and tours in the Embassy weekly newsletter. The Contractor shall make arrangements for this advertisement with the COR.

3.6. Traveler's Itineraries - The Contractor shall provide to each traveler a complete, printed itinerary document including, but not limited to the following:

- carrier(s);
- flight, train, bus and voyage number(s);
- if applicable, annotate that the traveler refused the contract or lowest fare offered.
- departure and arrival time(s) for each segment of the trip.
- name, phone number, location, room rate(s), confirmation number of hotels/motels booked by the contractor at each destination and guaranteed arrival check-in time, cancellation requirements; and where applicable, tax exempt information. If requested by the Government, the Contractor shall include a clear statement regarding compliance with the Hotel and Motel Fire Safety Act of 1990. If requested, the statement shall read as follows: "The lodging selected satisfies (or does not satisfy) the requirements of the Hotel and Motel Fire Safety Act of 1990." The Government would only make this request if travel will be within an area covered by this Act.
- vehicle rental company, to include name and toll-free telephone number of supplier, pickup and return dates, location of pickup, confirmed rate and confirmation number and, where applicable, special pickup instructions and hours of operation, notably for off-airport suppliers.
- local and toll-free 800 numbers, (the latter only if available in the country in which these services are provided) for both the servicing office and the after-hours emergency services location. If toll-free 800 numbers are not available, then the collect calls shall be accepted, and this notification shall be included on the itinerary.

- a statement and a copy of the passenger receipt coupon of all charges associated with the transportation ticket, including the ticket number, price, fees charged and a description of those fees.
- indicate type of ticket, electronic or paper.
- if use of a non-contract carrier is authorized, the Contractor shall annotate one or more of the following reasons to show contract city-pair coverage and agency justification for non-use. The Contractor may use alpha or numeric codes for representation.
 - Space or scheduled flights are not available in time to accomplish the purpose of travel, or use of contract service would require the traveler to incur unnecessary overnight lodging costs which would increase the total cost of the trip; or
 - The Contractor's flight schedule is inconsistent with explicit policies of individual Federal departments and agencies, where applicable, to schedule travel during normal working hours; or
 - A non-contract carrier offers a lower fare available to the general public, the use of which will result in a lower total trip cost to the Government, to include the combined costs of transportation, lodging, meals, and related expenses.
 Note: This exception does not apply if the contract carrier(s) offers a comparable fare and has seats available at that fare, or if the lower fare offered by a non-contract carrier is restricted to Government and Military travelers on official business and may only be purchased with a GTR or Government contractor issued general charge card, such as, YDG, MDG, ODG, VDG and similar fares.

3.7. Ticket Delivery

3.7.1. The Contractor shall provide delivery to all local delivery points (up to twice a day) of tickets, itineraries, and boarding passes (if applicable), and other travel documents, as determined necessary by the U.S. Embassy. The Contractor shall also provide emergency delivery to those local delivery points or the local airport within two hours notice. Tickets shall routinely be provided no earlier than two days in advance of travel unless the Government requests otherwise. The Contractor shall deliver tickets only to employees designated by the U.S. Government. When agreeable to the traveler and Government, the Contractor may generate electronic tickets.

3.7.2. Travelers shall be provided an itinerary and confirmation number in advance of travel. Prepaid tickets shall not be used as a routine method of providing tickets.

3.8. Reserved

3.9. Management Reports and Deliverables - The Contractor shall provide the U.S. Government with management information reports. As a minimum, the Contractor shall develop

the following reports which shall be delivered within the time frames set forth in Section 1, continuation of block 20, paragraph 10.0:

The charge card company will provide the Contractor with magnetic tapes or floppy disks of a month's CBA billings for each participating agency, at the agency's request. In order to perform automated reconciliation of accounts, the Contractor must have a tape drive and sufficient computer capacity. The Contractor shall run these tapes/disks against its own tape of transactions to provide each agency with reconciled charges, no later than five (5) working days from receipt of the charge card vendor's billing tapes.

3.9.4 **MONTHLY TRANSACTION FEE REPORT**

SECTION 4 - EVALUATION FACTORS

1.0 Award will be made to the quoter which quotes the lowest transaction fees, as determined by following the procedures outlined in paragraph 3.0 below. The quoter shall submit a completed solicitation, including Sections 1 and 5.

2.0 The Government reserves the right to reject proposals that are unreasonably low or high in price.

3.0 The lowest price will be determined by multiplying the offered transaction fee for each contract line item in Section 1 for each period of performance by its respective estimated requirements set forth below. These requirements represent the estimates for each period of performance rather than the entire contract period, so the transaction fee for each period of performance will be multiplied by the same estimated requirements. The subtotals for the base and all optional periods of performance will be totaled to arrive at the total transaction fees to be charged to the Government. The estimates set forth below are based on official travel only, not personal travel. These estimates are provided only for purposes of computing the estimated transaction fee payment and are not guaranteed.

<u>TRANSACTION DESCRIPTION</u>	<u>ANNUAL EST. NUMBER OF TRANSACTIONS</u>
Within City Limit Services – Domestic/ International Transaction Fee	750
On-site Services – Domestic/International Transaction Fee

4.0 The Government will determine quoter acceptability by assessing the quoter's compliance with the terms of the RFQ.

5.1. adequate financial resources or the ability to obtain them;

5.2. ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) ☐ Are, ☐ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) ☐ Have, ☐ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in

connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) ☐ Are, ☐ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) ☐ Have, ☐ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and
